Always different!

Seasonal, regional and very delicious!

HoLi Schorle

It is refreshing, sparkling, not too sweet and above all alcohol-free! For the production of HoLi the natural flavors of six carefully selected hop varieties are used. Shortly before bottling, the hand-brewed Bio hop extract is added to the lemonade and gives it the typical hoppy taste.

APERITIF

Secco Rosé Frank & Frei (15)
from Bavaria
0,10 l 4,50

A sparkling-fruity experience!

By the composition of red and white grapes and by the gentle "Saigne" process of the crape must production, the rose gets its particularly fruity and aromatic taste.
